## **Core Values for G.A.T.E.W.A.Y.**

### **G – Give Glory to God**

Our primary focus must be to hear God speak to us by His Word and Spirit and then respond by worshiping Him in spirit and truth. We do that in God-focused, corporate worship settings that are contemporary and relevant without compromising God's Word. We also encourage one another to worship throughout the week in our individual contexts with daily devotions and the offering of all work and other involvements to God, thoughtfully applying theological truths in God-honoring lives. Our entire ministry and all our life (corporately and individually) should be based on God's Word, bathed in prayer and offered to Him.
